Name of Work: - Supply and Installation of Retro Reflective Cantilever and Gantry Sign Boards as per NH Specifications at various locations.

This has reference to the discussions we had regarding the above. As desired, we are giving below the specification & costing of Retro Reflective Gantry Sign Boards & Cantilever signage along with the drawing of foundation, Truss.

Specifications for the Gantry Signage are as under: The proposed signage would be a Retro reflective Cantilever Signage in size 20m x1.2m & Retro Reflective Gantry Signage would be in size 12.2mx 1.2m as per your requirement. The signage would be fabricated using 3mm thick Exterior Grade ACP Sheets mounted on back frame fabricated using Rectangular Pipe and the face of the ACP Sheets covered with Type IV Retro Reflective sheeting displaying the matter which would be cut out using Retro Sheets and pasted onto the Retro Reflective base. The entire matter would reflect at night exactly as visible during the day.

The Gantry signage would be installed at site on a suitable truss which would be fabricated, using MS Pipe and MS Flat section. The vertical posts would be fabricated using 300mm dia MS Pipe would be welded onto a 12mm thick base plate which would be held to the foundation casted into the ground using M20 grade concrete.

Charges of Gantry Signage:

- a. **Retro Reflective Display:** The charges for supplying the Retro Reflective signage to be displayed on the Gantry.
- b. **Gantry Structure:** The charges for supplying the Gantry Structure for 12.2m span, required to install the Retro Reflective display
- c. **Cantilever Structure:** The charges for supplying the Gantry Structure for 6M span, required to install the Retro Reflective display.
- d. **Concrete Foundation:** The charges for the concrete foundation of casted into the ground, required to hold the vertical pipes
- e. **Transportation & Installation:** Transportation & installation -The Charges For Transportation & Installation for Gantry Signage would be for Ranchi peripheral.

Gantry Signage (Option - 2) : Size 12.2M x 1.2M with Installation would be as mentioned below:

<u>Sl No</u>	<u>Item</u>	<u>Qty</u>	<u>Units</u>	<u>Rate (Rs.)</u>	<u>Amount (Rs.)</u>
A	Supplying and installation Retro Reflective Sign board in size 12.2M x 1.2m = 14.64 sq.mtr, Gantry Structure with Vertical Posts, Truss, MS Plates etc, Concrete Foundation at site as per PWD NH specifications.	1Nos.	2 face		
Total cost for one pcs double sided Gantry Signage in size 12.2 Mx1.2M					

Cantilever Signage (Option - 2) : Size 6 M x 1.2M with Installation would be as mentioned below:

<u>Sl No</u>	<u>Item</u>	<u>Qty</u>	<u>Units</u>	<u>Rate (Rs.)</u>	<u>Amount (Rs.)</u>
A	Supplying and installation Retro Reflective Sign board in size 6M x 1.2m = 7.2 sq. mtr, Cantilever Structure with Vertical Post, Truss, MS Plates etc, Concrete Foundation at site as per NH specifications.	1 Nos.	2 face		
Total cost for 1 Unit double sided Cantilever Signage in size 6M x 1.2M					

Other Terms & Conditions:

1. GST @ 18% would be extra.
2. Transportation & installation cost of signages to other upcountry locations would be increased depending up on the site & distance.

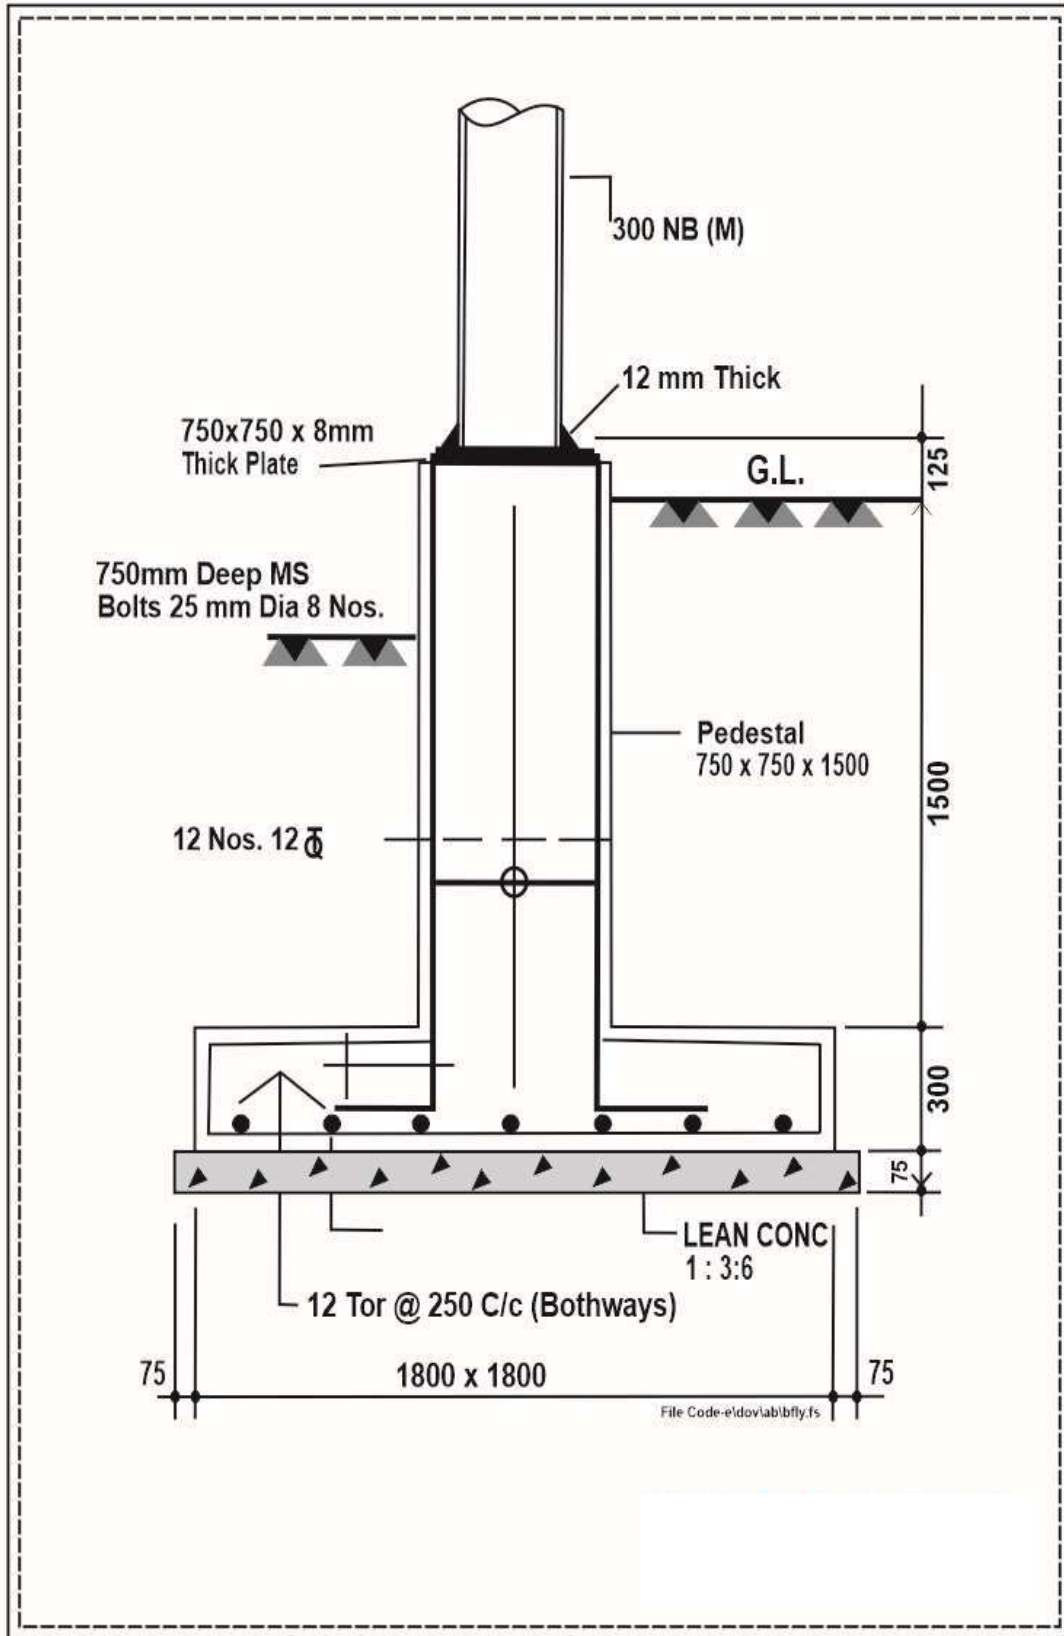

Warranty: There should be a 7 years warranty on the retro reflective sheeting and its reflectivity as well.

Completion of work: 2 Months.

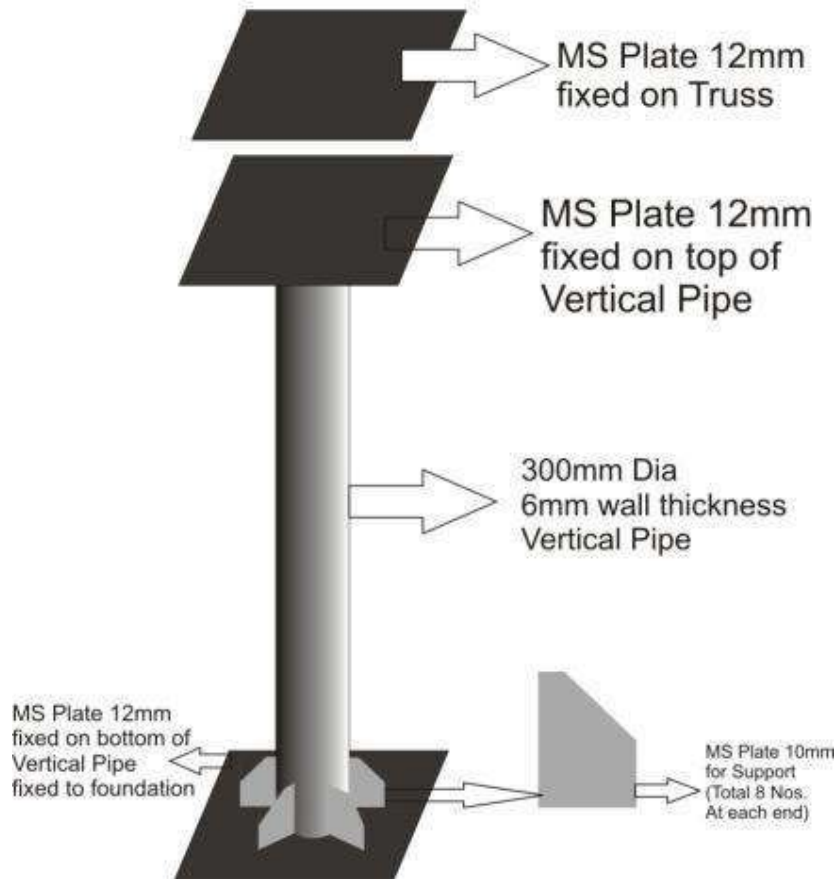

The work commencement would be after completion of the process and release of work order. The site identification for installing the signage and the foundation site will be done jointly by the firm and JIADA, Ranchi.

Terms of Payment: The bill for each site would be submitted separately after completion of installation of signage at a particular site.
